In certain parts of the Bangalore line there is land outside our fence which was taken up for borrow pits & which is now of no use to us — where the land is in paddy flats or gardens & the pits are shallow it is probable that the villagers would be willing to take it back at a fair valuation shall have the whole of it surveyed & measured

& I find there are about
48 Acres of Cultivable
land for Dry crops &
36 Acres Wet or Garden

I shall be glad if you

Sir,

With reference to your letter No. 1856/62 dated 16th May last, on the subject of Refund of Rupees 838. 6. 1, being the balance of Compensation claimed by the Agent of the Southern Mahratta Railway Company, I have the honor to answer the queries therein contained as follows:—

Query I. A Statement is appended showing the names of Villages, Hobli, and Taluq in which the lands are situated.

Query II. The lands were originally purchased by the Mysore Government, for State Railway purposes on payment of Compensation, and while putting up the Railway fences some margin for burrow pits was left along the line. This being found unserviceable, the lands were sold as directed by the Government, vide docket No. 5052/194 dated 14th November 1882. Hence, the lands belonged to Government.

The total amount realized at Sale was Rupees 1023. 7. 4. The Agent of the Southern Mahratta Railway Company requested that the Sale proceeds might be remitted

to

(Vide No. 6088/834 dated 28th January from the Agent of the Southern Mahratta Railway).

As a portion of the amount viz. ~~Rs.~~ 185-1-3, had been held in deposit in the Maudya and Seringapatam Talûqs, it was remitted to the Agent, and a refund bill was submitted for the balance of ~~Rs.~~ 838-6-1, credited to Government in the Seringapatam Taloork. ——

Query III. The lands in question originally belonged to ryots of the Villages mentioned in answer to query I, from whom they were purchased on payment of Compensation.

Query IV. The Mysore State paid Compensation for the lands and not the Southern Mahratta Railway Company.

Query V. The lands as above stated, belonged taboth the Seringapatam and Maudya Taloorks. Of the total amount of ~~Rs~~ 1023-7-4, ~~Rs~~ 904-8-10, were realized by the Sale of lands within the Seringapatam Taloork, in which ~~Rs.~~ 838-6-1, is included. Hence the latter amount was Credited in the Seringapatam Taloork Treasury.

The entire correspondence in English on the subject is submitted with a parish.
